22 ▼ His name is Conan and he took down al baghdadi 🤘

[permalink](#) [parent](#) [save](#) [report](#) [block](#) [reply](#)▲ [JamesBlomey](#) 4 months ago +15 / -1

14 ▼ Bhagdadi was taken down like a dog, by a dog. Conan the dog. Good source reports much crying and complaining from the co-founder of Isis.

8 ▼ That they do. Military K9s are viciously loyal to such an extent that I think we all could take a page out of their book.

If Conan was wearing a GoPro, I'd be willing to bet the footage would be pretty gruesome.

5 Reports were that the terror scum was with small kids.

▼ Are these dogs smart enough not to attack kids?

[permalink](#) [parent](#) [save](#) [report](#) [block](#) [reply](#)

▲ [Telcontar2020](#) 4 months ago +5 / -0

5 They are absolutely smart enough. There are some great videos that dog breeders and trainers have on YouTube showcasing the training these animals get.

Yeah, baghdadi went down a tunnel where Delta cornered him and two little kids. Asshole blew himself up with them. If I recall, Conan was injured before this moment, took a jolt from an exposed electrical cable (gives you an idea of just how damn tough these dogs are!) so I don't think she was in the immediate vicinity of baghdadi when he went boom.

6 My dogs put me to shame with their dedication and toughness. I utilize them as shining examples to emulate whenever I catch myself struggling.

2 I once saw an sf dog ripping chunks off of isis fags as they bled out from 30mm shrapnel. loved to see it. Never would I want to be on the wrong end of one of those noses.

9 Just bought my plane ticket and holy shit I spent 4 times as much as I did for the last rally and I bought that one two days before the date. Either there is an absolute fuckton of people going to this one or the enemy is buying up the plane tickets and hotel rooms to dissuade us.

3 My dogs would wreck those idiots, but I honestly wouldn't bother taking them to a rally because I think it'd be unfair to have them on nonstop attack mode working to protect me.

-1 If the evidence and prof of this election didn't do anything to change the election result then I am sure nothing is going to happen on Jan 6th. It's lost, USA has lost.
